INTRODUCTION

INDSTT Trenchless Excellence Awards (ITEA) are meant to motivate individuals' and organizations' contribution in subsurface construction domain and to promote replicable best practices in the Indian trenchless industry. INDSTT has initiated these awards which recognize and honor the valuable contributions and work of Indian Trenchless Fraternity that has significantly enriched the subsurface construction domain and has helped bring about a change in our construction practices.

At our annual event the No Dig India Show, the work and achievements of individuals and organizations shall be recognized and applauded. The awards are an embodiment of encouraging truly successful efforts from individuals and organizations that have made a mark on the present Indian Trenchless Industry in terms of delivering better outputs, processes and creating higher benchmarks for trenchless industry to help in nation building.

On the inaugural day of the 15th edition of No Dig India Show at on the winners of 4th IndSTT Trenchless Excellence Awards shall be announced and awarded in an exclusive event that will bring together dignitaries, nominees, national and international guests to celebrate exceptional achievement within the trenchless technology sector.

Judged by an independent panel of experts both from public and private sector, the awards are open to utility owners, private contractors, consultants, manufacturers, academicians, engineers and operator serving the Subsurface Construction Industry.

Last date for entries submission shall be 15th September 2025

- ✦ Achievement Award for Academician/Technology/Scientist
- ✦ Achievement Award for the Most Innovative Manufacturer of Trenchless Equipment and Materials
- ✦ Best Professionally Managed Company
 - ✦ Category - I (Turnover > Rs.500 -1000 Cr)
 - ✦ Category – II (Turnover Rs. 50 to Rs.500 Cr)
 - ✦ Category – III (Turnover < Rs.50 Cr)
 - ✦ Category – IV Entrepreneur

AWARD CATEGORIES

'Award for Best Project Execution'

'Award for Best Project Execution' recognises the excellence in projects which contribute to the built environment whilst contributing to immediate and long-term environmental goal, economic and social improvements, degree of innovation & transferability, relevance to the policies and cost-effectiveness.

'Award for Innovative Project Design'

'Innovative Project Design Award' recognise the project, designed to use materials, processes or services that reduce its environmental, human health or social impacts in its intended use, throughout its life cycle and across its supply chain. Project must be embodying circular and/or regenerative design principles such as designing for waste and pollution, prolonging life-span, minimising material usage, utilising digital solutions, or regenerating natural systems and processes.

'Award for Creating Social Development & Impact'

'Creating Social Development & Impact Award' recognise the overall positive impact of the project, what measurable sustainable outcomes can be achieved and if it will have a long-lasting and positive impact for the client, on society, the economy, and our environment.

'Award for Environment & Safety'

'Award for Environment & Safety' honours the organization's respect for human life and well-being as reflected in the practices regarding Health, Safety & Environment in project.

'Award for Best Project Authority'

'Award for Best Project Authority' recognises the achievements of a public organization who are actively adopting trenchless technology solutions for a significant period, demonstrating consistency in delivering high-quality projects and maintaining utility/infrastructure integrity for society welfare and nation building.

'Award for Best Driller'

'Best Driller of the year award' recognises an individual who has been instrumental in shaping and driving the evolution and successful impact of technology within trenchless technology services. This award honours an exceptional driller within trenchless technology who has displayed leadership, excellence and vision over a long serving career.

AWARD CATEGORIES

'Award for Best Tunneler'

'Best Tunneler of the year award' recognises an individual who has been instrumental in shaping and driving the evolution and successful impact of technology within trenchless technology services. This award honours an exceptional tunneler within trenchless technology who has displayed leadership, excellence and vision over a long serving career.

'Award for Best Public/Private Officer'

'Best Public/Private Officer of the year Award' recognises the public / private official who has undertaken exemplary initiatives/work which has facilitated growth and development of the infrastructure/construction sector. Officers having served Government/Public Sector Unit/ Undertaking for the last 10 years are eligible to apply.

'Award for Industry Doyen'

'Award for Industry Doyen' recognise the exemplary contribution by the persons who have displayed leadership, excellence and vision over a long serving career and have been instrumental in shaping and driving the evolution and successful impact of technology within trenchless technology sector.

'Award for Academician/Technology/Scientist'

'Award for Academician/Technology/Scientist' recognize excellence in academics/significant contribution/innovation of new technology, products, services and good practices for the growth and development of trenchless technology sector.

'Award for the Most Innovative Manufacturer of Trenchless Equipment and Materials'

The "Award for the Most Innovative Manufacturer of Trenchless Equipment and materials" recognizes a manufacturing organization that has demonstrated exceptional innovation, technological advancement, and excellence in the design, development, and production of trenchless Equipment and materials. This award honours a manufacturer whose commitment to quality, research, and cutting-edge solutions has significantly contributed to the advancement, reliability, and sustainability of the trenchless technology sector.

'Award for Best Professionally Managed Company'

'Award for Best Professionally Managed Company' recognises the achievements of an organization who have contributed significantly to the growth & development of the trenchless technology sector through their works undertaken for public welfare, technological innovation and nation building.

FORMAT AND CONTENT OF THE SUBMISSION

Format

- ✦ The nominations must be formatted in Arial 12-point font single spaced in a Microsoft Word compatible document.
- ✦ The front cover of the nomination must indicate the category being entered.
- ✦ The nominations are to be in colour.
- ✦ Indicative page limits are flexible; however total content is not to exceed 5000 words or 10 A4 pages.
- ✦ The nominations may refer to other projects undertaken by the individual. Written consent to the use of any project in the nomination should be sought from the project client/owner.
- ✦ The written consent and any endorsements or referee reports must be included in the nomination. Consent is also required for the use of project information, photographs, company logos and the like, used within the nomination. Non-conforming nominations may be rejected.

The nominations should address the following five sections.

Section 1 General Information

- ✦ Name of the nominee/organization
- ✦ Complete contact details of the nominee / organization including postal address with pin code, phone, fax, email and mobile nos.
- ✦ Name and contact details of the project owner/client representative
- ✦ Confirmation that consent to use the project(s) has been received from the client/owner
- ✦ Confirmation that consent to use photographs, company logos and the like has been received
- ✦ Confirmation that the project(s) have an approved plan and budget
